

NRGize Teams

Does your team need to?

- Create or update their vision, mission, and goals
- Clarify roles/responsibilities
- Build morale
- Learn skills to improve teamwork
- Strengthen team relationships
- Reduce conflict
- Identify practical, actionable solutions to key business problems

Customized Team Building

Jump-start a new team or energize an existing team with our 3 step process:

1. **Team Assessment:** Uncover the structure, process and people issues impacting the team.
2. **Intervention:** Use highly interactive, engaging activities to maximize learning and results.
3. **Post Intervention Assessment:** Track and trend the team's progress.
